ELEGANCE IN ENTRANCE

A lush shielded approach would seem top-notch, and this arrival would not directly open to the main road. So this aspect would certainly help to avoid casualties.

ASPIRING CONNECTIVITY

As long as connectivity is concerned, New 150 Feet Ring Road is evolving like anything as it emits the most versatile connectivity, whether it's Rajkot's leading industries, the maestro of all main roads such as Kalawad Road, Gondal Road connectivity, and the rapidly growing Jamnagar Road.

CONSTANT BLISS

When it comes to the breeze and light, balcony is a bliss, and here you get multiple balconies. Sitting in there, one can en route to self-time and switch on the leisure mode.
